

# WE ARE LISTENING!

## WHO ARE WE LOOKING FOR?

- ✓ Are you Pregnant or have given birth in the last 12 months?  
*This survey is for everybody who fits these criteria including women, transgender and gender diverse people, and members of the LGBTQ+ community. We believe diverse feedback will help inform our service improvement to ensure services are inclusive for all.*

## WHAT IS THIS PROJECT?

- ✓ A quality improvement project in maternity and perinatal pelvic health services.
- ✓ Our aim is to review the inclusivity of the services and influence how they are delivered in your community.

## WHY YOUR VOICE MATTERS?

- ✓ Our goal is to ensure your experiences and feedback are heard and shape the future of the services.
- ✓ We want to empower all patients to share their experiences in a safe, supportive environment.

## HOW CAN I GET INVOLVED?

- ✓ Take part in a short survey
- ✓ Speak to your Midwife or Physiotherapist for more details.
- ✓ There are further opportunities to take part in future discussions if you feel comfortable and it is convenient for you.
